

VMS 75-76

DEDICATION

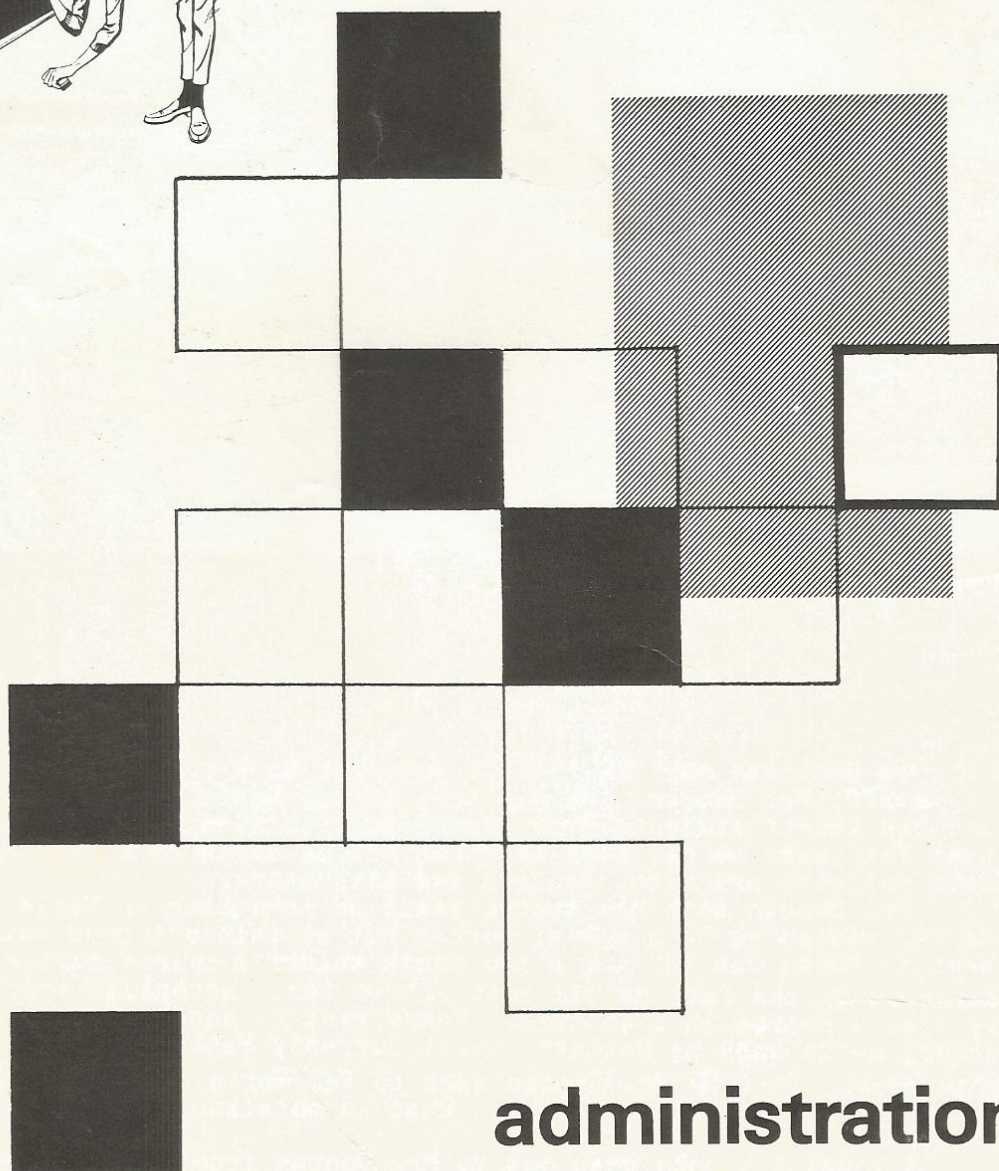

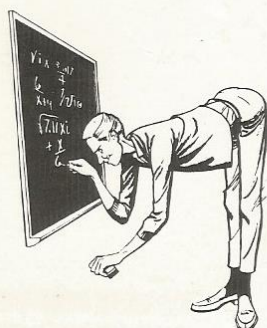

We dedicate our VMS '75-'76 yearbook to a member of the teaching staff, Mr. Duncan. He has been in Val Marie for eight years, and has taught students from grades four to nine. Now, in these past few years he has been teaching grades seven to nine. His main subjects are Math, English and Literature.

Mr. Duncan took his twelve years of schooling in Maple Creek. He had wanted to be a social worker but as things turned out he went to Moose Jaw to take a two month teaching course during the summer. In the fall he was sent out to teach school, as teachers were very scarce at that time. Years went by and he taught in school units such as Herbert, Swift Current, Maple Creek, and Shaunavon. In 1969 Mr. Duncan came to Val Marie. Since then we've had the experience to know what an outstanding teacher is like.

A special thanks goes out to Mr. Duncan from all the students of Val Marie School!

GOOD LUCK!

Principal's Message

This yearbook is a pictorial and written representation of our part school year. It reflects what is, in my opinion the integral element in the successful functioning of a school --- school spirit. In general, I am pleased with the students' spirit and attitude and look forward to another year of academic achievement combined with a program of recreational and social activities.

A handwritten signature in dark ink, appearing to read "J. Robertshaw". The signature is stylized with a large, sweeping initial "J" and a long, horizontal stroke extending to the right.

Editor's Message

In the past year there have been many events, both exciting and unforgettable. But even though we tried to include everything in this yearbook, there were a few incidents of which we could not. I must say that being the editor of the '76 Yearbook has enriched me with valuable experience and much knowledge. It was a hard road to take but with the help of my dependable staff we made it.

I would like to thank our staff advisor-Mr. Robertshaw especially for his work in photography.

I'd like specially to thank the people on the staff that worked right along with me.

A message -- "The cost of high achievement is a lot of faithful and hard work."

President's Message

As the last chapter of this eventful school year closes, vivid memories of familiar times we've had during '75-'76 pass through my mind. I recall the many problems which, with the help of Mr. Robertshaw and Mr. McDonald, our teacher advisor, the Student Council and I managed to overcome.

Special thanks goes to my Council, who, without their diligent help this school year would not have turned out as successfully as it has.

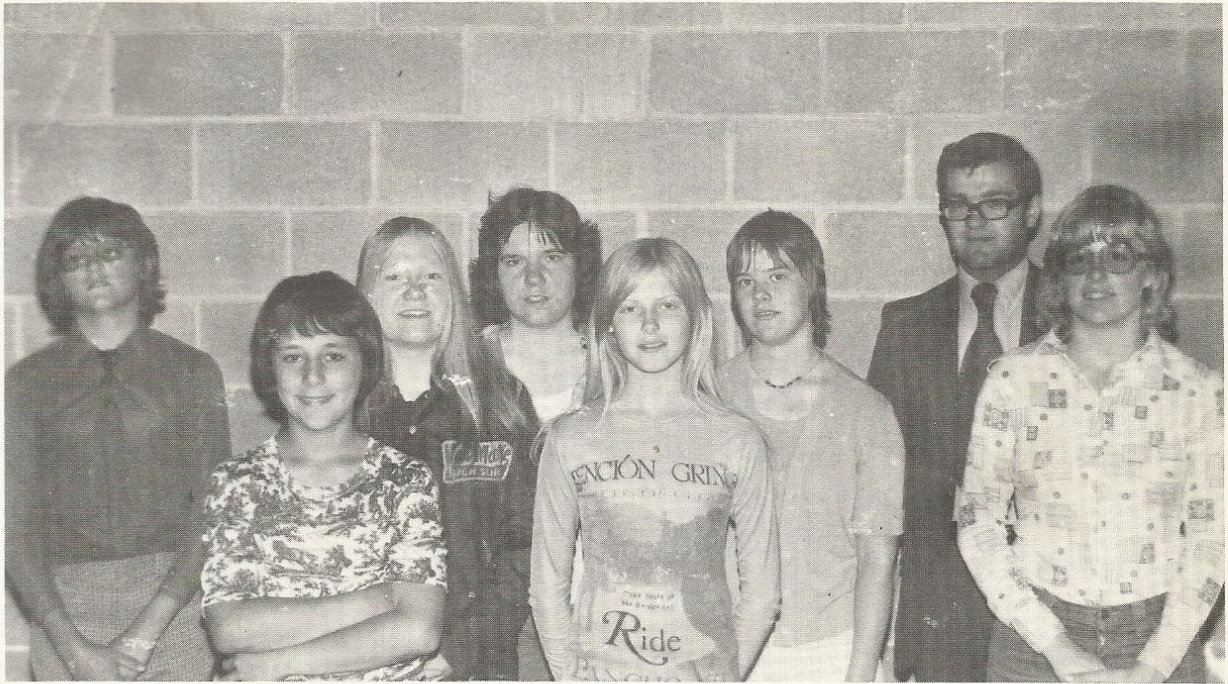

The cooperation of the Val Marie High School students is proven in the fact that monetary-wise, we've been more financially secure than in any other previous years. Cooperation was shown in our "Fall Supper" and Wake-a-thon, which scored a big hit with the participating students.

Altogether I feel this year has been a challenge and a limited success.

Good luck to '76-'77 President Michel Bellefeuille. May he have all the cooperation I did!

Graduation 75-76

The Val Marie '76 graduation was held on May 7. The day started off with a service at the United Church at 4:30. The minister gave a meaningful sermon in reference to the theme of graduation, "I LIVE ONE DAY AT A TIME". At 6:00 a banquet was held on the gym. The MC was Debbie Dixon. Toasts to the grads, parents, and teachers were made. The exercises was held in the gym at 8:00. The guest speaker, Mr. McDonald, a member of staff, gave an interesting speech of which we all enjoyed. The grads recieved their scrolls with a "congratulations" from Mr. Robertshaw. Each grad then gave a valedictory speech which was very unique. The dance commenced at 10:00 with the Blue Notes playing. The theme song was played while the graduates did the Grand March.

The gym was beautifully decorated by the grade 11's. On the stage was a flowered decorated arch under which the grads walked when they would go onto the stage.

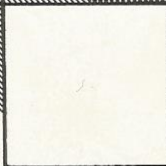

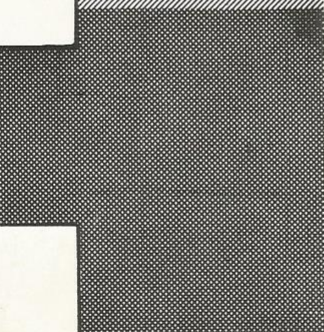

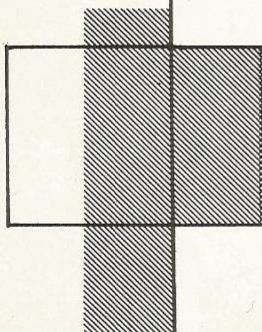

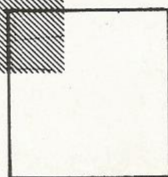

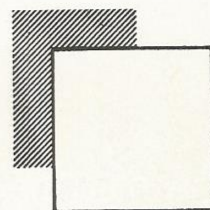

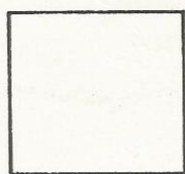

Overtop the stage was a large painted mural with the theme "I Live One Day At a Time" printed on it. On the back wall was another mural which showed a girl sitting under a tree with thought clouds all around her. These were pictures of motherhood, secretary, accountant, and interior decorating.

On the right front entrance to the gym was an arch decorated with flowers under which the grads entered the gym. On the wall beside were the full length silhouettes of the grads. In the centre of these was a family tree with their full names imprinted on it. On the opposite wall were three doves carrying a gift for the grads: flowers, present and a ring
